

Administration Track Descriptions

Tuesday, June 21

Tuesday A.M.-10:15-11:10

ADMIN01a-TA-Canvas for Administrators

Presenters: Paige Craig and April McCutcheon, Buckhorn High

In this session, administrators and school leaders in both elementary and secondary settings will learn how to use Canvas to manage PD, collect lesson plans, and view teachers' courses and materials.

Target Audience: Administrators, Technology Coordinators, Specialists

Time: 10:15-11:10

Room: Eagle's Nest

ADMIN01b-TP- 5 iPad Apps That Will Make You a Super Hero to Your Faculty

Presenter: Mark Williams, Apple Computers Inc.

Come by this session to see how the native iPad apps such as iMovie, GarageBand and Keynote can help you be the techno superhero that inspires their teachers.

Target Audience: Administrators

Time: 2:20--3:15

Room: 118

Tuesday A.M.-11:20-12:15

ADMIN02-TA- TIME FOR TECH WITH TONY FOR ADMINISTRATORS

Presenter: Tony Vincent, Learning in Hand

Tony Vincent has been living and breathing education technology since the late 90s. He's got some advice for administrators, especially when it comes to productivity tools and strategies. He'll share some great ideas for inspiring productivity and creativity in classrooms. The second part of the session will be an open-ended dialog with administrators.

Target Audience: Administrators

Time: 11:20-12:15

Room: Eagle's Nest

Tuesday P.M. -1:15-2:10

ADMIN03-TP-“10 WAYS TO CHECK”...for Understanding

Presenter: Nira Dale, District ELA Instructional Specialist, Florence City Schools

Much effort in lesson planning answers the question, “What will I use to teach this?” However, the question that will have a greater impact on instruction is “How will I know they’ve learned this?” Learn ways to embed structures for formative assessment and student self-assessment, making learning more relevant and engaging for students.

Target Audience: K-5, 6-8, 9-12 Administrators

Time: 1:15-2:10

Room: Eagle’s Nest

Tuesday P.M. -2:20-3:15

ADMIN04-TP- Do Not Fear! Google Drive is Here...to Rescue Administrators!

Presenter: Rachel Evans, Sparkman Middle School

Get in the “driver’s” seat, and STOP sending attachments! Send **Google Drive** links instead. Tech-savvy leaders can model 21st century technology-use by utilizing this efficient collaboration tool.

This session will guide you through your very own **Google Drive** account, including **Google Docs, Slides, Forms, and Sheets** and show you how to “share” a link to these working documents for collaboration purposes.

Target Audience: Administrators, Instructional Coaches, Specialist

Time: 2:20--3:15

Room: Eagle’s Nest

Wednesday, June 22

Wednesday A.M.-10:15-11:20

Admin05-WA- Tracking Toward Success

Presenters: Jenny McAllister, Yolanda Epp, and Karen Mardis, Endeavor Elementary

Learn how one elementary school created deeper DOK instruction by using the Achievement Series to create mock ACT Aspire assessments. Participants will have hands-on experience in creating mock assessments and see first-hand how the creation of the test can change instruction.

Target Audience: Administrators

Time: 10:15-11:10

Room: Eagle’s Nest

Wednesday A.M. -11:20-12:15

Admin06- Digital Portfolios: Everything you Need to Know to Get Started for Free

Presenters: Daniel Whitt and Molly Bounds, Madison City
Digital portfolios remain a mysterious endeavor, but the team at Madison City Schools has dedicated the last 2 years to demystifying the process by creating and sharing every resource you will need to create digital portfolios with any grade level.
Target Audience: Administrators
Time: 11:20-12:15
Room: Eagle’s Nest

Wednesday P.M.-1:15-3:15-- Gymnasium

Makerspace

Presenter: Holly Whitt, Walnut Grove, Madison County
